

## *Ohio's Professional Soil Scientists*

### **2024 Spring Newsletter Volume 51, Issue 3 Part 2**

#### **Journal Articles etc. of note**

#### **Two postings from Jerry Bigham**

Jerry Bigham has sent on links to two postings from the New York Times. I am unable to open them to copy and paste because I do not have a subscription but I can paste the links and if you have not used your monthly free quota which apparently, I have, please read them. They are very good.

The Soul of Soil

<https://www.nytimes.com/2024/08/04/opinion/soil-earth-life.html?smid=em-share>

Will We Have to Pump the Great Lakes to California to Feed the Nation

<https://www.nytimes.com/2024/08/05/opinion/california-great-lakes-food-supply.html?smid=em-share>

\*\*\*\*\*

This completes Part 2 of the Summer 2024 AOP Newsletter. Hope it is useful. Don't forget to log your hours for CEU credits if you read the documents.
